

DJC Consulting

DJC Consulting is a transportation consulting service provided by Dennis Jackson whose background includes many years of experience in a variety of transportation businesses.

He is retained by IDRC to handle the transportation benefits program and would be pleased to provide at no cost to members information and advice on all matters relating to this program.

DJC Consulting is also able to provide, for a fee, expertise on a variety of transportation services dealing with domestic and international parcel delivery, consolidation and distribution, L.T.L., truckload ,ocean container and warehousing activities.

For new and varied ideas on how you can reduce your transportation costs and save your company money please contact Dennis Jackson at
